Hi Tracy,

I've missed you the couple of times that I stopped down today. Are you around this afternoon? Apparently the ag tourism bill (AB 746) is now going to be scheduled for floor action this upcoming Tuesday instead of next Thursday, so now we are going to be a little crunched for time.

In case we cannot connect in person today, below are the items hanging out there that I know of:

1. Yesterday, the Assembly Committee on Ag introduced the following amendment and recommended that it be adopted:
  - a. On page 3, line 25, replace the first instance of the word "the" with "each".
  - b. On page 4, delete lines 14-18.

Please draft this amendment and let me know as soon as you can what the LRB # and Assembly Amendment number are so I can share them with the clerk (or, does the clerk get the stripes and then hand them off to the Chief Clerk's office to get the AA#?)

2. The committee also introduced and recommended adoption of LRBa1782/1. Do you create a new amendment for this, or does Rep. Goyke have to do something with the stripes?
3. A committee member verbally moved to amend LRBa1782/1, after the action taken above, to change "500,000" on line 9 to "1,000,000". The motion to introduce this amendment failed, but I believe that we still have to have it drafted so that the clerk may reference it in her committee report.

Thanks,  
Larry
